Re: Alliance Sand, Reservoir A  
GRAND LAKE FIELD  
Cameron Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **RED WILLOW OFFSHORE, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Alliance Sand, Reservoir A, in the Grand Lake Field, Cameron Parish, Louisiana, said unit to be designated ALL RA SUA, as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.

3. To provide that any wells drilled to the Alliance Sand, Reservoir A, within or outside the unit created herein, should be located in accordance with the spacing provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).

4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing should the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Alliance Sand, Reservoir A, in the Grand Lake Field, is hereby defined as being the stratigraphic equivalent of that gas and condensate bearing sand encountered between the depths of 11,830 and 13,025 feet (electrical log measurements) in the Chevron USA Inc. – State Lease 5081 No. 4 Well, located in Township 13 South, Range 4 West, Cameron Parish, Louisiana.

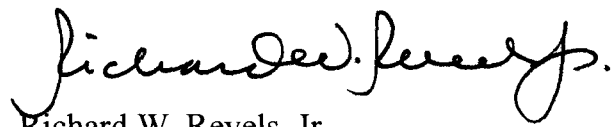

Any pertinent data, including well logs, not available from the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Holmes Smart with Frank W. Harrison, Jr. and Associates, P. O. Box 51943, Lafayette, LA 70505, Telephone No. (337)232-4031.

Pursuant to the Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for September 20, 2007, **WILL NOT BE HELD**.

Attached hereto and made a part hereof is a plat along with the list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated August 29, 2007) and list of parties are being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the amount of \$755.00 made payable to the Office of Conservation submitted on behalf of the applicant representing the hearing application fee.

Very truly yours,

  
Richard W. Revels, Jr.
